

Installation Agreement

Customer Information:

Name	(the "Owner" or "Customer")
Billing & Service Address	(the "property")
Electric Company	
Email	
Phone	

System Information:

System Size	kW
Est. Annual Production	kWh/year estimated for Year 1
Total Amount payable to Volt	the "Price"

System Specifications:

Item	Make	Model	Quantity	Warranty Years
Solar Panel				
Inverter				
Battery				
Workmanship	Volt Solar Energy Workmanship Warranty			25
Roof Penetration	Volt Solar Energy Roof Penetration Warranty			10
Additional Services, Products and Warranties:				

Payment Schedule: Owner will pay Volt for the work to be performed under this agreement, subject to additions and deductions pursuant to any Change Order agreed upon in writing by the Parties. The schedule indicated below reflects when your payments will become due. Owner failure to procure financing to pay for the work herein or the failure or refusal of any financing institution to issue payment for the work, shall entitle Volt to invoice for the full amount of all work performed and equipment procured (whether installed at the project or stored offsite). Such invoice shall be due and owing with 15 days of Owner's receipt. Volt is not responsible for assisting customer in acquiring financing as may be needed. Payment for services and materials is not conditioned on Owner's ability to procure financing if applicable. Owner agrees to be fully liable for the costs of the work set forth herein.

Note: The price in this agreement is valid for 5 days after the date Volt first presents it to you for execution. If you do not sign and return this agreement to Volt within this 5 day period, Volt reserves the right to reject this agreement unless you agree to Volt's then current Price.

ACCORDING TO FLORIDA'S CONSTRUCTION LIEN LAW (SECTIONS 713.001-713.37, FLORIDA STATUTES), THOSE WHO WORK ON YOUR PROPERTY OR PROVIDE MATERIALS AND SERVICES AND ARE NOT PAID IN FULL HAVE A RIGHT TO ENFORCE THEIR CLAIM FOR PAYMENT AGAINST YOUR PROPERTY. THIS CLAIM IS KNOWN AS A CONSTRUCTION LIEN. IF YOUR CONTRACTOR OR A SUBCONTRACTOR FAILS TO PAY SUBCONTRACTORS, SUB-SUBCONTRACTORS, OR MATERIAL SUPPLIERS, THOSE PEOPLE WHO ARE OWED MONEY MAY LOOK TO YOUR PROPERTY FOR PAYMENT, EVEN IF YOU HAVE ALREADY PAID YOUR CONTRACTOR IN FULL. IF YOU FAIL TO PAY YOUR CONTRACTOR, YOUR CONTRACTOR MAY ALSO HAVE A LIEN ON YOUR PROPERTY. THIS MEANS IF A LIEN IS FILED YOUR PROPERTY COULD BE SOLD AGAINST YOUR WILL TO PAY FOR LABOR, MATERIALS, OR OTHER SERVICES THAT YOUR CONTRACTOR OR A SUBCONTRACTOR MAY HAVE FAILED TO PAY. TO PROTECT YOURSELF, YOU SHOULD STIPULATE IN THIS CONTRACT THAT BEFORE ANY PAYMENT IS MADE, YOUR CONTRACTOR IS REQUIRED TO PROVIDE YOU WITH A WRITTEN RELEASE OF LIEN FROM ANY PERSON OR COMPANY THAT HAS PROVIDED TO YOU A "NOTICE TO OWNER." FLORIDA'S CONSTRUCTION LIEN LAW IS COMPLEX, AND IT IS RECOMMENDED THAT YOU CONSULT AN ATTORNEY.

THERE WILL BE A RELEASE OF LIEN FROM ANY PERSON OR COMPANY THAT PROVIDES THE OWNER OF THE PROPERTY WITH A "NOTICE TO OWNER".

FINANCED BY THIRD PARTY FINANCE COMPANY

General Terms and Conditions:

Approximate Project Start and Completion Dates: The work to be performed under this Contract shall be commenced as soon as possible after the required building permits are received and any agreed upon funds are paid to Volt. Volt shall assist in the coordination and scheduling of work to be commenced and Substantially Completed within a reasonable amount of time, subject to permissible delays as defined in this Contract. For purposes of this Contract, Volt will have started work once it has begun performing engineering for project permitting issuing and the work will be "Substantially Completed" when all construction work is completed so the Solar System can be beneficially used for its intended purpose.

Permissible Delays (force majeure): Notwithstanding the foregoing, Volt shall be excused from any delay in the commencement and completion of the Work to be performed under this Contract due to acts or omissions of Owner or of Owner's agents, employees or independent contractors, actions or omissions of governmental agencies (including the denial or cancellation of any necessary license or permit for the project), changes required to the project due to unanticipated circumstances, latent physical conditions at the Property, Owner's requests, Owner's failure to make progress payments promptly, and all causes beyond Volt reasonable control, including, but not limited to, acts of God, fires, weather-related delays, government restrictions, material shortages, embargoes, labor disputes, pandemics, or acts of war.

Cancellation by Owner: Owner has the unconditional right to cancel this proposal without penalty or obligation, until midnight of the third business day (Saturday count, Sundays and most holidays do not) after signing. Cancellation must be done in writing. To cancel this proposal, Owner must mail or deliver a signed and dated notice to Volt indicating that Owner is canceling. Your Notice of Cancellation shall be deemed given when deposited in a mailbox properly addressed with postage prepaid and with the envelope post-marked before midnight of the third business day after the contract date. If you cancel, any property traded in, any payments made by you under the contract or sale, and any negotiable instrument executed by you will be returned in 10 days following receipt by Contractor of your cancellation notice, and any security interest arising out of the transaction will be cancelled. If you cancel you must make available to Volt at your residence/property, in substantially as good condition as when received, any goods delivered to under this proposal or sale, or you may, if you wish, comply with the instructions of Volt regarding the return shipment of the goods at Volt expense and risk. If you do not make the items available to Volt or if you agree to return the items to Volt but fail to, then you remain liable for performance of all obligations under the contract. If you cancel this agreement at any time after the cancellation period of 3 (three) days described in this agreement or otherwise prevent us from completing the installation, you agree to reimburse us in full for the cost of materials, labor, and services provided up to the date and time of cancellation, including a termination fee of ten percent (10%).

Scope of Work: Volt will complete the solar system installation, which shall include all work, labor, tools, equipment, materials, supervision, coordination, scheduling, and contract administration necessary to complete the project in a

good and workmanlike manner. Volt scope of work does not include any of the items on the "List of Work Exclusions" in Attachment A. Volt will obtain the necessary building and electrical permits. You agree to cooperate with us to help us obtain these permits. You are solely responsible for obtaining, at your own cost and expense, any and all zoning variances required by any municipality or local governing body. We will not obtain a zoning variance for you unless we expressly agree to do so in a separate writing signed by us.

Labor and Material: Volt shall furnish a contractor to complete the solar system installation, which shall include all work, labor, tools, equipment, materials, supervision, coordination, scheduling, and contract administration necessary to complete the project in a good and workmanlike manner.

Access to Work: Owner shall grant free access to work areas at the service address for installation workmen, designees, and any state or local governmental authority or utility company. Owner shall allow areas for storage of materials and rubbish. Owner agrees to keep driveways clear and available for movement and parking of trucks during normal work hours. Volt and workmen shall not be expected to keep gates closed for animals or children or provide work area security.

Owner's Responsibilities and Representations: Owner is responsible for making the Property ready and in the condition Volt used to create the Proposal. During Installation, Owner shall not move, remove, modify, alter, or change in any way the equipment or any part thereof without the prior written approval of Volt. If we determine that existing site conditions will not allow for installation of a PV System as described at the top of page 1, we may terminate this agreement if you and we are unable to agree to modifications needed to provide for additional work needed to make the site suitable for the PV System. We may also terminate this agreement after completion of our site assessment without further obligation if either (a) you breach this agreement, or (b) we discover or become aware of: (i) previously undisclosed legal encumbrances or easements affecting the service address, (ii) building/zoning code violations at the service address, or (iii) hidden or unforeseen hazardous conditions such as the presence of mold, asbestos, lead paint, or any other conditions not disclosed to us.

Tree Removal: If necessary or desired to improve the performance of the PV System, tree removal is the sole responsibility of the Owner.

Cleanup: Volt shall ensure the project is free from accumulation of debris, waste materials, or rubbish caused by its operations. On completion of the work, Volt will consult with both the Owner and the contractor(s) or subcontractor(s) to ensure all debris, waste materials, rubbish, and surplus material from Owner's property has been removed, leaving it in a neat and broom-clean condition.

Inspections, Building Department and Engineering Requirements: VOLT will coordinate and attend local building department inspections as needed. Owner is expected to be at the final utility inspection if requested by the utility company. For insurance requirements related to system sizes greater than 10 kW (ac)/11.7 kW (dc). See Attachment C..

In the event that a permitting authority (any agency of federal, state, county or local government) demands changes to, or rejects, the engineering plans submitted or otherwise would require further engineering services in order to obtain approval of such permit, customer shall be responsible for payment of Seller's actual costs incurred to comply or resubmit revised plans that necessitate additional engineering services

Notice About Extra Work and Change Orders: Extra work and change orders ("Change Orders") become part of the Contract once an order is prepared in writing and signed by the Parties prior to the commencement of any work covered by the Change Order. The Change Order must describe the scope of the extra work or change, the cost to be added or subtracted from the Contract, and the effect the order will have on the schedule of progress payments. Owner may not require Volt to perform extra or Change Order work without providing written authorization prior to the commencement of work covered by the new Change Order. Volt failure to comply with the Change Order process does not preclude recovery of compensation for work performed based upon legal or equitable remedies designed to prevent unjust enrichment. If installation is delayed by more than thirty (30) days once work has commenced due to acts or omissions of Owner, Volt will have the option to require a Change Order is executed to account for any additional costs or changes to the construction schedules or may in its sole discretion cancel this Contract. As the solar industry is dependent on suppliers' manufacturing capacity and deliveries to the United States at the time immediately prior to installation, minor variations in parts due to substitutions may take place and may result in invoices being adjusted accordingly. For purposes of this Contract, the term "like product" means products of like quality and price performance to the equipment specified.

Failure to Pay: You will be in breach of this agreement if you fail to make any scheduled payment on time, in full, and otherwise in accordance with this agreement. If we have not received the full amount of any scheduled payment within ten days after the scheduled due date, you will incur a late fee equal to one percent (1.5% per month) of the unpaid amount due. If the installation is not completed when the breach occurs, we reserve the right to suspend all work until all past-due amounts have been paid in full. If the PV System is in operation when the breach occurs, we reserve the right to remotely shut off the PV System until all past-due amounts have been paid in full.

Title to Equipment and Right to Remove: Title to the equipment and materials supplied by Volt will remain with Volt and not pass to the Owner until all sums due to Volt have been paid. Until the equipment has been delivered and signed for by you or your agent, we retain the title to the equipment. Volt may, at its option, remove any portion of materials equivalent in value to any payment required hereunder and not paid within sixty (60) days after receipt of proper invoices thereunder without limiting Volt rights herein.

Limited Warranty – Repair or Replacement: Volt warrants the solar system against defective workmanship for the period defined in System Specification section in page 1, after Substantial Completion. This warranty covers the Solar System as a whole only and provides for no-cost repair or replacement of the Solar System in accordance with this warranty. The separately included manufacturer warranties for the solar panels, inverters and frames are in lieu of and not in addition to Volt warranty obligations. Any claims for defect in workmanship or otherwise related to or arising from those materials are excluded from Volt warranty obligations. Volt shall make available to Owner all warranty documents relative to the equipment and materials incorporated in the Solar System as provided by the applicable manufacturers. Volt will also be the warranty administrator for such manufacturer warranties and as such it will, on a reasonable basis, provide a first line of support on any manufacturer warranty claims. Repair or replacement as provided under this warranty is the exclusive remedy of Owner. The warranty period will not be extended, nor will a new warranty period begin, upon any repair or replacement conducted under this warranty. This limited warranty does not warrant a specific power output, which is exclusively covered under the module manufacturer warranty. Volt does not make any promises or guarantees about any return-on-investment variables related to the Solar System, including but not limited to, issues related to utility rate increases, home resale value, maintenance costs, performance degradation, home energy needs, and Solar System output. Owner hereby expressly agrees and understands that there are no guarantees whatsoever with respect to the amount of any Solar Production or any return on investment which can be expected from the work/installation contemplated herein.

Limitation of Warranty: THE WARRANTIES SET FORTH ABOVE SHALL CONSTITUTE THE ONLY WARRANTIES APPLICABLE TO THIS CONTRACT, THE SOLAR SYSTEM AND WORK PERFORMED HEREUNDER. VOLT HEREBY EXPRESSLY DISCLAIMS ANY AND ALL OTHER WARRANTIES, EXPRESS OR IMPLIED, INCLUDING WITHOUT LIMITATION THE WARRANTIES OF MERCHANTABILITY OR FITNESS FOR PARTICULAR PURPOSE, USE OR APPLICATION, AND ALL OTHER OBLIGATIONS OR LIABILITIES. IN NO EVENT SHALL VOLT BE LIABLE FOR INCIDENTAL, CONSEQUENTIAL OR SPECIAL DAMAGES, LOSS OF USE, LOSS OF PROFITS, LOSS OF PRODUCTION, OR LOSS OF REVENUES FOR ANY REASON WHATSOEVER.

Limitation of Liability: VOLT SOLE LIABILITY, AND OWNER'S SOLE REMEDY, WITH RESPECT TO ANY WORK AND MATERIALS WHICH BREACH VOLT OBLIGATIONS UNDER THIS CONTRACT SHALL BE FOR VOLT TO REPAIR, REPLACE OR RE-PERFORM THE DEFECTIVE OR NONCONFORMING WORK AND MATERIAL WITHIN FOURTEEN (14) BUSINESS DAYS OR SUCH PERIOD COMMERCIALY REASONABLE ACCORDING TO INDUSTRY STANDARDS AFTER WRITTEN REQUEST BYOWNER.

Insurance Coverage: Notices concerning commercial general liability insurance and worker's compensation insurance are attached to this Contract as Attachment B.

Work Site: is defined as the address of the Property in page 1, the location where the work by Volt is to be performed

Lien Releases: Upon satisfactory payment being made for any portion of the work performed hereunder, Volt, shall furnish to Owner a full and unconditional release from any potential lien claimant claims or mechanics lien authorized pursuant to Chapter 713 of the Florida Statutes for that portion of the work for which payment has been made.

List of Documents to Be Incorporated Into the Contract:

Drawings, Specifications, Permits, and Fees: The work to be performed hereunder will be constructed according to the Proposal, drawings, specifications and other documents, created by Volt for the project. Volt will obtain and pay for all required building permits for the work. Volt will not charge Owner any costs for its own labor in obtaining those permits. All drawings and specifications are intended to supplement one another and are incorporated by reference to this Contract. In the event of a conflict, however, the specifications shall control the drawings, and this Contract shall control both.

Attachments: The following are incorporated by reference to this Contract: Proposal; List of Work Exclusions; Insurance Notices (see Attachment B), and the Mandatory Insurance Obligation (see Attachment C).

Risk of Loss: Owner shall assume the risk of loss for all materials and equipment which are to be included in Volt work hereunder at such time as the materials and equipment are delivered to the Property.

Exclusions: Any warranties provided hereunder are expressly waived should any of the following occur: (i) failure to properly operate or maintain the Solar System in accordance with printed instructions provided with the Solar System; (ii) any repair or replacement using a part or service not provided or authorized in writing by Volt; (iii) damages caused by, in Volt judgment, Owner or third party abuse, accident, alteration, improper maintenance or installation, pre-existing roof conditions, removal by anyone other than a contractor or authorized Volt representative, misuse, negligence or vandalism, riots, animal damage, or environmental pollution such as soot, salt damage, or acid rain, or earthquake, fire, flood, extreme weather conditions such as high wind or frozen water buildup, or other acts of God or other unforeseen conditions that are beyond Volt control; (iv) solar systems with the type or serial number(s) altered, removed, or illegible; and (v) cosmetic defects, such as discoloration or scratches, caused by normal wear and tear.

Indemnity: To the fullest extent permitted by law, Owner ("Indemnifying Party") shall indemnify, defend and hold harmless Volt and its officers, directors, shareholders, employees and agents (each, an "Indemnified Party"), from and against all loss, cost, liability, claims and expenses, including but not limited to attorneys' fees and disbursements, to the extent arising out of or resulting from the actions or omissions of Owner and its agents, guests and family members which are negligent, wrongful or in breach of this Contract. The foregoing shall not be limited to or by any insurance coverage which may be in force or required to be in force.

Default: Either of the following occurrences or events, by or against Volt and by or against Owner, shall constitute a default under this Contract: (a) ,failure of payment or other material breach of any of the terms, conditions, representations, warranties, or guarantees expressed in this Contract; or (b) filing of a voluntary petition in bankruptcy or confession of insolvency. In the event that a Party is in default of this Contract, and fails to cure such default thirty (30) days following receipt of written notice from the non-defaulting Party that an event of default has occurred, then this Contract may be terminated by the non-defaulting Party.

Dispute Resolution; Any unresolved controversy or claim arising out of or relating to this Contract or breach thereof shall be resolved by arbitration administered by the American Arbitration Association in accordance with its Construction Industry Arbitration Rules then in effect and judgment on the award rendered by the arbitrator(s) may be entered in any court having jurisdiction thereof. The place of arbitration shall be in Miami, Florida, U.S.A. The parties hereto agree that non-binding mediation shall be an express condition precedent to the filing and maintaining of any legal proceedings/disputes allowed under this Agreement.

BECAUSE WE HAVE AGREED TO ARBITRATE ALL DISPUTES, NEITHER PARTY WILL HAVE THE RIGHT TO LITIGATE DISPUTES IN COURT OR TO HAVE A JURY TRIAL ON THAT DISPUTE, OR ENGAGE IN DISCOVERY EXCEPT AS PROVIDED FOR IN THE ARBITRATION PROCEEDING. THE PARTIES WILL NOT HAVE THE RIGHT TO PARTICIPATE AS A REPRESENTATIVE OR MEMBER OF ANY CLASS PERTAINING TO ANY DISPUTE. THE ARBITRATOR'S DECISION WILL BE FINAL AND BINDING, EXCEPT TO THE EXTENT IT IS SUBJECT TO REVIEW IN ACCORDANCE WITH APPLICABLE LAW GOVERNING ARBITRATION AWARDS. OTHER RIGHTS THAT MAY BE AVAILABLE IN COURT MAY NOT BE AVAILABLE IN ARBITRATION.

Mutual Waiver of Consequential Damages: The parties to this agreement mutually waive any and all claims against each other for consequential and/or indirect damages of any kind and nature arising from this agreement, the project and the work contemplated therein.

Florida Homeowners' Construction Recovery Fund: PAYMENT, UP TO A LIMITED AMOUNT, MAY BE AVAILABLE FROM THE FLORIDA HOMEOWNERS' CONSTRUCTION RECOVERY FUND IF YOU LOSE MONEY ON A PROJECT PERFORMED UNDER CONTRACT, WHERE THE LOSS RESULTS FROM SPECIFIED VIOLATIONS OF FLORIDA LAW BY A LICENSED CONTRACTOR. FOR INFORMATION ABOUT THE RECOVERY FUND AND FILING A CLAIM, CONTACT THE FLORIDA CONSTRUCTION INDUSTRY LICENSING BOARD AT THE FOLLOWING TELEPHONE NUMBER AND ADDRESS: DEPARTMENT OF BUSINESS AND PROFESSIONAL REGULATION, 2601 BLAIR STONE RD., TALLAHASSEE, FL 32399, (850) 487-1395.

Notice: Any notice required or permitted under this Contract shall be deemed given, if in writing, on the fifth (5th) day after deposit in the U.S. Mail, first-class postage prepaid, and addressed to the Party at the address shown in this Contract, although such address may be changed by written notice from one Party to the other as necessary.

Assignment; Third-Party Beneficiaries: Neither party may transfer or assign this Contract and its rights and obligations herein without prior written consent of the other party. There are no third-party beneficiaries to this Contract. Nothing in this Contract shall create a contractual relationship with or a cause of action in favor of a third-party against either Party. Notwithstanding the above, (i) VOLT may assign this Contract without notice to or consent of Owner in the event of a merger, reorganization, consolidation, or sale of all or substantially all of VOLT's assets, and (ii) if all or any of this Contract is to be financed through a financial institution, Owner may assign its rights hereunder to such institutions. Owner and VOLT will make, execute, and deliver all forms reasonably required by a lender for such purposes.

Governing Law: This Contract shall be governed by and interpreted in accordance with the laws of the State of Florida. Venue for any legal proceedings shall be exclusively in Miami Dade County, Florida. Additional Terms and Conditions. Additional terms and conditions to this Contract can be found in attachments.

Acceptance and Authorization: This Solar Installation Agreement (referred to as "Contract" or "Agreement") is effective as the latest date referenced on the signature line below ("Effective Date") by and between SOLAR VOLT INC. ("VOLT"), a Florida Corporation with its principal place of business located at 801 Brickell Ave., Suite 800, Miami, FL, 33131 and "Owner". VOLT and Owner are occasionally referred to herein individually as a "Party" and collectively as the "Parties." The terms "customer" and "you" refer to the Owner identified above, and the terms "us" and "we" refer to the VOLT identified above and its employees, agents, contractors, and subcontractors as applicable. This Contract constitutes the entire agreement of the Parties. No other agreements, oral or written, pertaining to the work to be performed under this Contract exist between the Parties. This Contract can be modified only by an agreement in writing signed by both Parties.

Notice and Opportunity to Cure. Should Owner at any time during the work phase/construction phase believe Volt is in default of this Agreement or is otherwise unsatisfied with the work performed or performance of the installation, Owner shall as an express condition precedent to instituting any legal proceedings issue a 48 hour written notice to cure to Volt providing Volt a reasonable time within which to address, correct or otherwise cure any alleged breach. Said notice shall be in the form attached hereto as "Notice and Opportunity to Cure" exhibit. Owner's failure to provide said notice prior to instituting any legal proceedings and/or posting negative reviews on social media and/or review sites shall serve as a complete waiver and release of any and all claims for damages arising or which may arise from the alleged breach or defective work/installation.

CLASS ACTION WAIVER. OWNER HEREBY WAIVES, WITH RESPECT TO ANY DISPUTE: (I) THE RIGHT TO PARTICIPATE IN A CLASS ACTION, PRIVATE ATTORNEY GENERAL ACTION OR OTHER REPRESENTATIVE ACTION IN COURT OR IN ARBITRATION, EITHER AS A CLASS REPRESENTATIVE OR CLASS MEMBER; AND (II) THE RIGHT TO JOIN OR CONSOLIDATE CLAIMS WITH CLAIMS OF ANY OTHER PERSON.

Intending to be legally bound, the Parties are executing this Contract through their legally authorized representative on the date stated below.

ATTACHMENT A: LIST OF WORK EXCLUSIONS

Unless specified to the contrary in the Proposal or a Change Order, the services, activities and work set forth below are excluded from the scope of work required by VOLT pursuant to the Contract:

1. Remove, remediate or dispose of any hazardous substances that exist on the Property; 2. Improve the construction of the roof or the Property to support the Solar System;
3. Remove or replace existing rot, rust, or insect infested structures;
4. Provide structural framing for any part of the Property;
5. Pay for or correct construction errors, omissions, and deficiencies by the Owner or contractors hired by the Owner;
6. Pay for, remove, or remediate mold, fungus, mildew, or organic pathogens;
7. Upgrade the Property's existing electrical service;
8. Installation of any smoke detectors, sprinklers, or life safety equipment required by municipal code or inspectors as a result of the Solar System installation;
9. Pay for the removal or re-location of equipment, obstacles or vegetation in the vicinity of the Solar System;
10. Move items unassociated with the Solar System around the Property;
11. Pay for any costs associated with municipal design or architectural review, or other specialty permits, including cost to attend any public hearings, notification of neighbors, or additional drawings required;
12. Paint electrical boxes or conduit at the Property;
13. Pay for compliance with changes in regulations of codes that materially change the scope of work for the Solar System;
14. Repair of damage to roadways, sidewalks, or driveways that may occur when construction equipment and vehicles are being used in the normal course of construction unless such damage is caused by the negligence of VOLT; and
15. Structural engineering review and soil analysis.

ATTACHMENT B: INSURANCE NOTICES

Commercial General Liability Insurance (CGL): Solar Volt Inc. carries commercial general liability insurance written by NEXT INSURANCE. Certificate of Insurance available upon request to support@voltsolarenergy.com

Workers' Compensation Insurance: Solar Volt Inc. carries workers' compensation insurance for all employees written by Lion Insurance Company. Certificate of Insurance available upon request to support@voltsolarenergy.com

ATTACHMENT C: MANDATORY INSURANCE OBLIGATION

The Florida Public Service Commission, pursuant to Section 120.54, Florida Statutes, has adopted Rule 25-6.065, Florida Administrative Code, relating to interconnection and net metering of customer-owned renewable generation. Section (5) (e) requires that the owner of a Tier 2 renewable generation system have general liability insurance for personal and property damage of \$1 million. A Tier 2 renewable generation system is one that is 11.6 kW (dc) or 10.0 kW(ac) or larger.

Thus, you will have to provide proof that you have \$1 million of general liability insurance as part of the application for interconnection with you local Florida utility system in order to obtain interconnection approval.

You acknowledge that you understand the terms of this paragraph and the implications if you fail to provide and maintain proof of this insurance.

Alternatively, an owner of a Tier 2 renewable generation system may self-insure this \$1 million if it can demonstrate to the utility that the owner has sufficient financial means to cover a potential \$1 million obligation. As part of the interconnection process, your local utility will let you know what information it needs from you to make this determination and the timeline for such determination.

Failure to provide proof of such insurance or to obtain approval from the interconnecting utility to allow you to self-insure will result in a denial of your request to interconnect your system or, if interconnected, the termination of such interconnection. Without this interconnection, your system will not operate, you will not be able to offset any electricity used in your home and you will not be able to obtain any benefits of net metering.

NOTICE OF CANCELLATION

Date of Transaction

Lead/Customer Order #

You may CANCEL this transaction, without any Penalty or obligation, within **THREE (3) BUSINESS DAYS** from the above date. The State Supplement contains a form to use if one is specifically prescribed by law in Florida state.

If You cancel, any property traded in, any payments made by You under this contract or sale, and any negotiable instrument executed by You will be returned within **TEN (10) BUSINESS DAYS** following receipt by the seller of your cancellation notice, and any security interest arising out of the transaction will be canceled.

If you cancel, you must make available to the seller at your residence, in substantially as good condition as when received, any goods delivered to you under this contract or sale, or you may, if you wish, comply with the instructions of the seller regarding the return shipment of the goods at the seller's expense and risk.

If you do make the goods available to the seller and the seller does not pick them up within **TWENTY (20) CALENDAR DAYS** of the date of your notice of cancellation, you may retain or dispose of the goods without any further obligation. If you fail to make the goods available to the seller, or if you agree to return the goods to the seller and fail to do so, then you remain liable for performance of all obligations under the contract.

To cancel this transaction, mail, deliver, or email a signed and dated copy of this cancellation notice, or any other written notice, or send a telegram to:
